**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I want more competition in ISP's. Internet is something everyone should have access to and can greatly limit growth and knowledge if limited and throttled. By giving powers to large monopolies, they have the power to censor and limit what people can see. In our free and open democracy, we should be allowed to visit what we want when we want as long as it is not hurting anyone.
